# CERTIFICATE OF CANVASS OF VOTE

STATE OF CALIFORNIA }  
COUNTY OF PLACER } ss.

I, Ryan Ronco, County Clerk-Recorder-Registrar of Voters, County of Placer, State of California, do hereby certify that in pursuance to the provision of Elections Code Section 15300, et seq., I did canvass the results of the votes cast in the **General Election** held in said County on **November 8, 2022**, for measures and contests that were submitted to the vote of the voters, and that the Statement of Votes Cast, to which this certificate is attached, is full, true and correct.

(See Attached)

Furthermore, this election is hereby certified in honor of Robert Weygandt, Placer County Supervisor and stalwart supporter of the Placer County Elections Office, who began his first term on the Board in 1995, who consistently and faithfully served his constituents in District 2 for 28 years, and who retires undefeated at the end of his seventh term.

IN WITNESS WHEREOF, I hereby set my hand and affixed my official seal on this **7<sup>th</sup> day of December, 2022** in accordance with the laws of the State of California.

A handwritten signature in blue ink, appearing to read "Ryan Ronco", written over a horizontal line.

Method used to choose precincts and batch of ballots to manually tally (include description of random selection method):

See Attached.

*attach additional pages if necessary*

Description of any discrepancies noted (include details about each discrepancy and how each was resolved; also include anything unusual observed during the manual tally process or anything that may improve the manual tally process):

No discrepancies found.

*attach additional pages if necessary*

This report is submitted pursuant to Elections Code section 15360(f).

Submitted on this date: December 7, 2022 by:

Elections Official Name: Ryan Ronco

Signature: \_\_\_\_\_

## Report of 1% Manual Tally

Method used to choose precincts and batch of ballots to manually tally (include description of random selection method):

Placer County would need to randomly select 2 polling place precincts and 3 mail ballot precincts to comply with Elections Code Section 15360. Using the EIMS One Percent Random Sample Report five precincts were selected. We ran the report six times to get six random lists of precincts and a six-sided die was used to determine which list of precincts to use. The following precinct numbers were selected on November 9, 2022: 0254103, 356010, 0551553, 6551454 and 6551481. Further, to cover the remaining contests that were not included in the selected precincts, additional precinct numbers were drawn, and the following precincts were added: 0131101, 0131103, 0157201, 0157413, 0231153, 0257517, 0355005, 0356024, 0356038, 0451289, 0511583, 0511603, 0511817, 0511902, 0511924, 0513001, 0551520, 0552012, 6231135, and 6511601. Additionally, because 4 mail ballot precincts were selected for various races and mail ballots are not sorted down to the precinct level, we included all 10 batches of mail ballots (2,000 ballots) counted prior to 11/9 in our manual recount. At the time of the random draw, we had counted 236 batches of vote by mail ballots, mail ballots, and Uniformed and Overseas Citizens Absentee ballots. We needed to hand count a minimum of 3 batches to comply, however, we performed the manual tally on 7 batches to include all contests. We assigned those batches numbers 1 through 236 and ran a random generator on those numbers. The batches selected were 88, 91, 130, 132, 187, 194 and 220. The following batch numbers were utilized for the 1% manual tally: VBM 4 Tab 6 Batch 34 (88), VBM 2 Tab 4 Batch 37 (91), VBM 3 Tab 5 Batch 36 (130), VBM 3 Tab 5 Batch 38 (132), VBM 4 Tab 6 Batch 45 (187), VBM 4 Tab 6 Batch 52 (194), and VBM 5 Tab 7 Batch 24 (220).
